

## Press - release

The Forum will bring together the leading specialists in the sphere of the “life sciences” (pharmaceutics, biotechnologies, radiology and medical industry), representatives of the federal and regional authorities, senior executives of the manufacturing companies, medicinal products developers and suppliers, representatives of the developers and distributors of medical products and equipment and employees of biopharmaceutical and medical companies.

The main goal of the Forum consists in maintaining initiatives to develop the pharmaceutical market as one of the key spheres which ensure comfortable living and stability for people and forming the basis for the rapid economic growth of the country.

The forum is not focused on a conference format but more concentrated on interaction of the participants and discussions on the most pressing industry issues. Life Science Invest forum also receives wide coverage in the mass - media.

The Forum organizers are: the Union “Medico-Pharmaceutical Projects. XXI Century”, the Association of Pharmaceutical Manufacturers of the European Economic Union and State Budget Educational Institution of the Higher Professional Education “Saint-Petersburg State Chemical and Pharmaceutical Academy” of the Ministry of Public Health of the Russian Federation (hereinafter – the “SPHFA”).

The event is traditionally supported by the Industrial Policy and Innovation Committee of Saint-Petersburg, the Ministry of Economic Development of the RF, the Ministry of Public Health of the RF.

The Forum shall take place at 15 Nevsky Pr., Taleon Imperial Hotel, Saint-Petersburg.

Participation in the event is free.
