- **Alexey Bagariakov**, EO of “North-West Strategical Partnership” ANO
- **Alexey Bagaryakov**, Executive Director, ANO Strategic Partnership «North-West»
- **Mikhail Dubina**, Chairman of the Health Committee of St. Petersburg
- **Elena Kiseleva**, Deputy of the Legislative Assembly of St. Petersburg
- **Dmitriy Morozov**, President of “Biokad” CJSC
- **Petr Rodionov**, CEO of “Geropharm” Group of Companies
- **Aleksandr Semenov**, President of “Active Component” CJSC
- **Mikhail Nekrasov**, president of “Nanolek” company
- **Elena Bushberg**, CEO of “Veropharm” PJSC
- **Igor Narkevich**, PhD in Pharmacology, professor, president of FSBEI of Higher Education SPCPA of the Ministry of Healthcare of Russia
- **Talgat Nurgozhin**, president of Asfendiyarov KazNMU, MD, professor
- **Dmitriy Khalilov**, Partner of EY, Head of the Group on Rendering Services to Companies of Medical-Biological Branch in Russia and CIS
- **Najil Egofarov**, Corporate Affairs Director, Pfizer
- **Nelly Ignatieva**, EO of RAPHCh

The signing of Cooperation Agreement between the St. Petersburg State Chemical and Pharmaceutical Academy, Pfizer company and Kazakh National Medical University named after Asfendiyarov.

The signing of Cooperation Agreement between the St. Petersburg State Chemical and Pharmaceutical Academy and the Russian State Academy of Intellectual property.

11.00-18.00	CONFERENCE «MEDICAL BUSINESS. RUSSIAN AND INTERNATIONAL EXPERIENCE» (ORGANIZED BY «VEDOMOSTI» MEDIAHOLDING, PARTICIPATION REQUIRES PAYMENT)	
11.00-13.00	<p>Plenary session 1. «Investments in innovations in the medical business» (PARTICIPATION REQUIRES PAYMENT)</p> <p>Issues for discussion:</p> <ul style="list-style-type: none"> • Forecasts, prospects and strategies for the development of medical business in Russia • Legal support of medical activity. Changes in legislation, review and analysis of changes, requirements for the activities of medical organizations • Investment projects aimed at raising the level and quality of life of the population 	
13.00-13.30	Coffee-break	
13.30-15.00	<p>Discussion session 2. «Digital transformation in medicine» (PARTICIPATION REQUIRES PAYMENT)</p> <p>Issues for discussion:</p> <ul style="list-style-type: none"> • Trends in development and technological innovation in healthcare • Rules for the provision of telemedicine services. Why wait for the industry from regulators? • Teleconsultations. What are the risks and what are the advantages? • Interaction of doctors, developers and patients based on the virtual platforms. Experience in applying telemedicine technologies and practices of their implementation • Successful projects in the field of modern medicine, from idea to realization • Education and staffing in the telemedicine market • Infrastructure and information security. Problematics and solutions. 	<i>Victoria Restaurant</i>
15.00-15.40	Lunch	
15.40-17.10	<p>Practical session 3. «Effective management of the clinic. Russian and foreign experience» (PARTICIPATION REQUIRES PAYMENT)</p> <p>Issues for discussion:</p> <ul style="list-style-type: none"> • How to become a number 1 clinic. Experience of foreign colleagues • Separation of medical and business processes within the clinic. The role of the director in the management of the clinic • Performance management. Motivation of the chief physician and manager • Internal and external communications • Effective marketing in the promotion of health services • Medical consulting 	
11.30-12.00	Coffee-Break	
12.00-14.00 1 flow	<p>Subject-related workshop “Development of national pharmaceutical market in conditions of import phase-out and location of production”</p> <p>Issues to be discussed:</p> <ul style="list-style-type: none"> • Global cooperation in medical and pharmaceutical industry, perspective trends on cooperation with foreign partners • Transfer of technologies, development prospects of partners’ relations between global and local companies • Export of pharmaceutical products and technologies, competence development in the field of full-cycle drug production • Federal and regional measures to support participants of pharmaceutical market. • State policy in the field of pharmaceutical preferences, pricing for medicinal drugs 	<i>Imperial Grand Hall</i>

Moderator: **Zakhar Golant**, Vice-Rector for Development of FSBEI OF HIGHER EDUCATION St. Petersburg State Chemical Pharmaceutical Academy of the Ministry of Healthcare of Russia, Chairman of the Board of Union "Medical Pharmaceutical Projects. XXI Century"

Participants:

- **Evtody Ekaterina**, Head of Department of Sectoral Planning of Strategic Development of Development Department of the pharmaceutical and medical industry of the Ministry of Industry and Trade of the Russian Federation
- **Vladislav Shestakov**, Director of FBE "State Institute of Medicinal Drugs and Proper Practices"
- **Lilia Titova**, Executive Director, Union of Professional Pharmaceutical Organizations
- **Nadezhda Daragan**, Chairman of the Coordination Board of the National Association of Manufactures of the Pharmaceutical Products and Medical Items
- **Anna Bessarabova**, chief expert of the Association of Russian Pharmaceutical Manufacturers
- **Viktor Dmitriev**, CEO of Association of Russian Pharmaceutical Manufacturers
- **Olga Pentegova**, head of the legal department of the Association of Russian Pharmaceutical Manufacturers
- **Alexey Konov**, General Director, partner of the JSC "RusBioVentures"
- **Aleksey Torgov**, Deputy CEO on Working with State Authorities, "Biokad" CJSC
- **Anrey Akhantiev**, director of the economic security department "Geropharm" company
- **Anna Guseva**, partner in Ernst and Young, head of the consulting service group in the sphere of medicine and biology

Imperial Grand Hall

Subject-related workshop "Innovations in Pharmacy"

Participants of subject-related workshop will discuss the most up-to-date trends of the pharmaceutical industry innovative development including API-synthesis, technological solutions for additive technique implementation and the issues of their legal protection.

Issues to be discussed:

- Organizational and technological infrastructure development to support of pharmaceutical industry
- Regional engineering center of micro reactor API-synthesis
- Chemical and biological synthesis of pharmaceutical ingredients
- Creation of drugs based on the natural medical agents
- Priority trends of scientific and research activity in the field of pharmacy
- Applicability of additive techniques in pharmacology. Additive techniques transfer prospects

Moderator: **Elena Phlisyuk**, Doctor of Pharmaceutical Sciences, Professor, Vice-Rector for Scientific Work of FSBEI OF HIGHER EDUCATION SPSCHPHA of the Ministry of Healthcare of Russia

Participants:

- **Galina Engalycheva**, PhD in Biology, Deputy Head of Administration for Expertise of the Medicinal Drugs No.4 of the Center of Expertise and Control of Finished Medicinal Drugs Federal State Budgetary Establishment "Scientific Center of Expertise of Products of Medicinal Use"
- **Andriy Shevchik**, Doctor of Technical Sciences, Rector of FSBEI of Higher Education "St. Petersburg State Technological Institute (Technical University)"
- **Kirill Gogolinsky**, Doctor of Engineering, president of FSBEI of Higher Education "St. Petersburg State Institute of Technology (technical university)"
- **Eva Polezhak**, Professor, Head of Department of Applied Pharmacy of Lublin Medical University, Poland
- **Vladimir Mikhailov**, Cand. Sc. (Chemistry), assistant professor of Chemical Institute of FSBEI of Higher Education "St. Petersburg State University"
- **Zuriada Sakipova**, Professor, Doctor of Pharmaceutical Sciences, Dean of the Faculty of Pharmacy and Technology of Pharmaceutical Production, Asfendiyarov Kazakh National Medical University, Almaty city, the Republic of Kazakhstan
- **Sergey Miron**, director for production and development of "Active Component" CJSC
- **Vitaly Latypov**, head of the genetic engineering laboratory of "Geropharm" GC
- **Dmitriy Ivkin**, PhD in Biology, assistant professor of the Department of Pharmacology and Clinical Pharmacology, Director of Center of Experimental Pharmacology of FSBEI of Higher Education SPCPA of the Ministry of Healthcare of Russia
- **Denis Maimistov**, senior professor of Humanities Department of FSBEI of Higher Education SPCPA of the Ministry of Healthcare of Russia
- **Rimma Abramovich**, PhD in pharmacology, assistant professor, Head of the Department of Pharmaceutical Technology, Faculty of Advanced Studies of Medical Workers, Director of the Center for Collective Use (Scientific and Educational Center) of FSBEI of Higher Education "Peoples' Friendship University of Russia"
- **Ruslan Mustafin**, PhD in Pharmacology, assistant professor, dean of the Pharmacy Department, head of the Pharmaceutical Chemistry department of FSBEI of Higher Education Kazan State Medical University of the Ministry of Health of Russia
- **Anastasiya Katelnikova**, Head of Group of Immunobiological Research of "Preclinical Research Institute" LLC
- **Elena Molokhova**, PhD in pharmacology, professor of FSBEI of Higher Education "Perm State Pharmaceutical Academy", the Ministry of Health of the Russian Federation
- **Inna Terninko**, PhD in pharmacology, head of Center of Collective Use of FSBEI of Higher Education SPCPA of the Ministry of Healthcare of Russia
- **Elena Petrova**, director of the regional API engineering center
- **Maria Zaitseva**, SRS, PhD, head of the preclinical investigation quality control department of FPFIS IT FMBA
- **Konstantin Balakin**, PhD in Chemistry, head of the Scientific and Technical Evaluation Department of Pharmacy SEC of KFU
- **Dilyara Shakirova**, PhD in Pharmacology, professor of the Pharmacy Management and Economics Department of FSBEI of higher education Kazan State Medical University of the Ministry of Health of the Russian Federation
- **Olga Makeeva**, Senior Advisor to Finpro Trade Representation at the Consulate General of Finland in Saint-Petersburg, Project Coordinator in Invest in Finland
